CASE NO: 15-11724

OBJECTION TO CLAIM OF TOYOTA
MOTOR CREDIT CORPORATION
(CLAIM 3-1)

20 Scott Dawson hereby objects to the claim of Toyota Motor Credit Corporation (Claim 3-
21 1) on the basis that Toyota Motor Credit Corporation has failed to credit a refund of \$2270.00
22 issued by National Warranty to Toyota Motor Credit Corporation on May 29, 2015.

23 Despite attempts to resolve this matter amicably, Toyota Motor Credit Corporation has
24 not acknowledged receipt of these funds and modified the claim in this case. If the claim is not
25 revised to account for this refund, Toyota Motor Credit would receive a windfall.

26 The debtor reserves the issue as to whether attorney fees are appropriate for a separate
27 motion.
